THOROUGH PROOFREADING

Our Bid Writers will inspect your written responses with a fine-toothed comb. They will ensure that your work is free from spelling or grammatical errors that could raise red flags with the buyer if left unchecked. Don't miss marks for avoidable human error mistakes.

CROSSCHECK YOUR RESPONSES WITH THE BUYER'S SPECIFICATION

To ensure that you haven't missed any details, our Bid Writers will analyse your tender responses against the specification. They will make suggestions for any areas of improvement such as elaborating on a point, attaching supporting evidence or ensuring that you have properly answered the question.

A DEDICATED BID CONSULTANT

Throughout the process, you will be assigned a dedicated Bid Consultant who will assess your work and provide feedback to increase your chances of winning.
